The Report was adopted with suggestions that future reports should highlight major challenges encountered in the period and also reflected in greater detail work done on the question of youth in Member States.

<u>Item 2</u>: Report on the implementation of tasks assigned

Greater efforts should be deployed in implementing earlier Council Decision on the review of procedures in the ECOWAS Commission. It was decided that the Commission should speed up the hiring of the new Management consultant and ensure that it finishes its work before the arrival of the new Commissioners. To this end Council instructed the President of the Commission to adhere to the Council decision on the timeline for commencement of duty by the new Commissioners (see item 10). Council further instructed the Commission to ensure that its decision on the recruitment freeze is scrupulously adhere to.

<u>Item 3</u>: Report of the Financial Controller

- The Report was adopted with suggestions as future report provide figure on ratio between administrative and programme costs of the institutions.
- Although a 63:37 (admin/program) ratio was reported as good performance for half of the fiscal year, administrative costs should be kept at the barest minimum. In this respect, the Financial Controller should ensure the reduction of administrative costs.
- Restraint is required in administrative costs of Community products, including drivers' licenses.
- Another graph was suggested to provide a comparison between the ratio of professional positions occupied by each member state against financial contribution.
- Timely payments of community levy should be made by member states because of the Financial Controller's report that community levy increased, but at a lower pace, since all member states are behind in their payments.

<u>Item 4</u>: Report of the Audit Committee

- The Report was adopted.
- The council recommended to the Authority of Heads of State and Government the appointment of KPMG Ghana as External Auditors for ECOWAS institutions for the Fiscal Year 2011-2012.

SIXTY-SEVENTH ORDINARY SESSION OF THE COUNCIL OF MINISTERS

Abuja, 19 – 21 December 2011

REGULATION C/REG.15/12/11 AMENDING ARTICLES 40, 71, 72 OF THE FINANCIAL REGULATIONS OF THE INSTITUTIONS OF THE ECONOMIC COMMUNITY OF WEST AFRICAN STATES (ECOWAS)

MINDFUL of Article 74 of the said ECOWAS Treaty relating to the Financial Regulations and Manual of Accounting Procedures of the Community Institutions;

MINDFUL of Article 69 of the ECOWAS Treaty relating to the budgets of Community Institutions;

CONSIDERING that the transformation of the Executive Secretariat into a Commission, and the revision of the operational texts of Community Institutions, including the Financial Regulations satisfy the demands of modernizing the administrative, financial, and accounting management of the Institutions;

BEARING IN MIND that the Financial Regulations of the Community Institutions and their Manual of Procedures which have entered into force and are being applied, are for the purpose of adopting international best practices in administrative and financial management in the day-to-day operation of Community Institutions;

NOTING that, in the light of the fact that the Financial Regulation of the Community Institutions and the related Manual of Procedures have been in use since 2010, deadlines for the execution of expenditures, the adoption of International Public Sector Accounting Standards (IPSAS), and the consolidation of the budget and financial statements of the Community institutions, as prescribed successively in Articles 40, 71 and 72 of the Financial Regulation, are no longer valid as a result of the re-organisation of some financial and internal accounting systems;

NOTING FURTHER that, for the purpose of the operation of our institutions, it has become a matter of necessity to set up a Resource Planning System (RPS) for the organization, with a view to helping automate and increase programme execution capacity and other financial and administrative management activities of the Community Institutions.
