### STATEMENT ON THE RECENT DEMONSTRATIONS IN THE TOGOLESE REPUBLIC

The Economic Community of West African States (ECOWAS) Commission has followed with concern the recent social demonstrations in certain towns in Togo, particularly in Lomé, which have had regrettable human and material consequences.

In the interest of social cohesion, the ECOWAS Commission calls for restraint and urges all stakeholders to favour dialogue with a view to creating a peaceful socio-economic and political climate conducive to development.

The ECOWAS Commission expresses its sympathy and remains available to contribute to efforts to preserve social peace in the Togolese Republic.
